MEMORANDUM TO:

Messrs. Crohn
Greer
Henson
Holtzman
Pepples
Stevens

SUBJECT:

Meeting with Assistant Secretary Brandt
Clearinghouse on Smoking and Health

Enclosed is a memorandum prepared by Stan Temko on our meeting with Assistant Secretary Brandt and three of his associates on Wednesday, June 17. We have prepared a fairly lengthy memorandum to give you the flavor of the meeting and to include all of the points which Stan and I believe significant.

I assume that we can have some discussion of this matter at the Committee of Counsel meeting next week.

HRK

Enclosure
